The Peerage

銀河 *yín hé* or Silver River is the formal name of the Milky Way galaxy.

家 *jiā* or House is the character for family.

In the context of a regency representing higher order consciousness, 家 refers to a family of “specialists at natural law” embodied on earth.

In the *Book of Changes*, such specialists are also referred to as 人利女 “people who serve the Maiden” – awakened human beings who are 貞 “incorruptible.”

女 “the Maiden” refers specifically to the divine feminine “Numina of Infinite Potential” – the unlimited field of unseen quantum possibilities; her sigil is a black sphere, ●; her seal is 1547.

This peerage is identified under Title 6, Chapter 5, Section 5, line 221 of the *Codes of Great Brightness*.
