The Week In Review

Despite the appearance of external continuity within the legacy theater this week, the situation continues to destabilize. It was reported across multiple institutional outlets that a sense of pressure is now reaching the breaking point. It is as if more of the personality structures who once felt hopelessly mired in the *status quo* are beginning to sense the emergence of divine presence. We affirm that this energetic frequency is beginning to push through society and the individual with increased force.

In the context of the earth changes and conscious awakening, now is when the personality structure begins to concede: “My higher self – my divine presence is expressing itself directly here, in real time.” This involves a shift from

- being limited to talking about awakening → to expressing spirit-brilliance in person
- chattering back and forth about conceptual spirituality → to real-time manifestation
- recycling claims and predictions in the spiritual marketplace → to demonstrating novel capacities in person
- tiring of identity performances → to asserting legitimacy through higher frequencies.

Synchronicity: We Are Nearing a Central Inflection Point

The pressure caused by an increased embodiment of divine presence and emergent capacities appears to be causing a temporal inflection point around the **full moon** on **3.2.2026**. A full moon happens when the moon, earth, and sun form a straight line with **earth in the center**. *Dragon Horse Map* says the hierogamic center between light and dark is expressed ●●●●● + ○○○○○ + ●●●●●.

$$(3 + 2 + 2 + 0 + 2 + 6) = (5 + 5 + 5).$$

Original Gossip is constructed by casting the *Book of Changes* upon *Dragon Horse Map*. It says the center of earth is **216**.¹

$$(3 + 2 + 2 + 0 + 2 + 6) \times (3 \times 2 \times 2 \times 2 \times 6) = 2160.$$

Line **216** of *Original Gossip* says

Look when stepping to verify the good omens.

They orbit the origin of what is good.

The auspicious origin is located above; the eldest have joy.

The number **216** appears ●●●●● + ○○○○○ + ●●●●● times in our synchronistic text *Behind Beehive Island with Lady Snail Goddess*. The counsel is to proceed with divine presence.
